A Message from Charles for our Chapter Members:

"The weatherman predicts a beginning partly cloudy sky, cool and otherwise lovely evening for our Chapter social gathering this Saturday evening. You might wish to bring a lap blanket. Mary and I are so pleased to welcome Chapter members and guests who will gather at our Rooster Ridge Fire Pit for the evening. Yes, we will have a fire. The food is sure to be good and tasty. This social site has been a dream of ours for years. To avoid boredom during the pandemic the dream took shape and became reality. We love the outdoors and relaxed entertaining. We have built a place where friends, neighbors and family can gather, relax, cook, talk and bond. Earl and Mary will add provide a few soft and reminiscent ballads to entertain us. Except for fireflies the site has proven, so far, to be essentially bug and mosquito free. You will be parking at the house and for those who wish not to walk, we have two golf carts to carry you your chairs and food to and from (about 75 yds) the site. A rest room is available. After dusk, a warming fire and amber lights will cast an enchanting glow at the site and in the trees if you choose to enjoy a late evening." [Click here for directions...](#)
