### July Chapter Social Meeting:

Hopefully, you have Thursday, July 22<sup>nd</sup> clearly marked on your social calendar as that is the upcoming date for another social gathering of our New River Chapter...shown above is the new, outdoor dining patio at The Tavern that is our next meeting location. On July 22<sup>nd</sup>, plan to gather @ 4:00 PM to enjoy early seating with fellow chapter members. Our goal is to have enough people come early to ensure we can get at least three tables together and seats for our group prior to the arrival of others at The Tavern (which has been seeing an uptick in people coming out for evening dining).

Everyone should also know that the North Carolina Council President, COL Jim Brumit, will be our guest at the meeting. As Council President, COL Brumit wants to meet with each of the 14 North Carolina Chapters. As our outing is strictly social, COL Brumit will attend primarily to meet Chapter members and enjoy a dinner; he will not be making any formal brief but may have some handouts to update important information on the business of the Council as well as legislative goals of MOAA.

Hope to see you @ 4:00 PM on July 22<sup>nd</sup> at The Tavern!

### Did you know?

Our New River Chapter received two financial awards from MOAA this year...we got a \$2500 USAA Community Grant and an additional \$1250 from MOAA for COVID relief. Chapter Treasurer, Bob Worley has already sent \$2,175 each NC Fisher House (Camp Lejeune and Fort Bragg) for one-half of the \$3,100 donation made by our newest honorary member, Pam Garner, plus the \$1,250 COVID relief. The Chapter's Officers and BOD will meet soon to plan how we'll give financial support to veterans in our area.
